

Day 16

Because they lived far away, the wise men had a long way to travel. But God made sure they knew which way to go by showing them a star to follow.

- Cut out the stars and color front and back.
- Cut along the dotted line to the middle.
- Fit the slits together to make the star 3D.

As you choose where to place your star, think about how God showed the wise men how to find Jesus. God still tells us how to follow Jesus today through his Word, the Bible.

Day 16

They asked, "Where is the baby who was born to be the king of the Jews? We saw his star in the east. We came to worship him."
