Church Weekend Away - 9th - 11th May

Arrangements for the Church Weekend Away are gathering pace.

We've booked the venue, planned some activities, found a speaker (TBC), started assigning bedrooms and most importantly we've set the menu!

We are really looking forward to the weekend; the wider fellowship, fresh experiences and deeper connections we can explore together. For some of us, the weekend will be an opportunity to build relationships in a 'new' church family. Other people will benefit from finding a new place and new ways to meet with God. Our prayer is that for all of us it will be a chance to establish new patterns, rhythms and directions as we take time to seek, show and share the love of God together.

There are still spaces available on the weekend – We'd like to have everyone there! Please discuss any questions, concerns or problems with one of the 'Organising team' who are Phil, Mike Softley (0784 844804) and Karen Peers (07494 121134)– and they will do everything they can to make it possible for us all to be together.

If you cannot join us for the whole weekend it is perfectly possible to come and join us for the day but still let us know so that catering etc can be arranged.

Please note - all bookings for accommodation must be confirmed by Sunday 9th March.

Don't miss 3C's AGM — March 23rd.

We are into a New Year—New beginnings! As members and friends of this fellowship you will want to be involved with what the Lord has in store for us! A big part will be praying and listening for the Holy Spirit to guide and motivate us. Another will be the privilege of participating at our Annual General Meeting, where future plans will be presented, giving you will have opportunity to express your views, ask questions and, if you are a member, to vote on these plans.

We are seeking your agreement on 4 important topics. Our decisions will be critical in shaping how 3C witnesses in Cam for the next decade:

- 1) **The Church's Financial situation:** we need your approval of 2024 accounts and budget for 2025. We will issue the reports beforehand, giving you the opportunity to query anything. It might be helpful to talk about this at your Community Group meetings, where your group leaders may have answers. Peter (our Treasurer) would appreciate any formal questions to be raised with him beforehand, so that he can prepare the answers.
- 2) **Admin at 3C:** we need your approval to create some new roles to make us more effective as a team. Perhaps there is a job for you?
- 3) **Becoming a Registered Charity:** Discussed at the last AGM, we now need your approval to proceed. If you have questions already, your group leaders have been briefed and may have the answers.
- 3) **The Roof Project:** The project Team will update us on the approved plans, the quote to proceed and how to divide the work into phases. We will explain how we aim to fund this and hope to be able to answer any questions. We need your commitment!

We will start at 12.00 noon on Sunday March 23rd and aim to finish by 2pm. Please make every effort to attend.
